REPUBLICAN CAMPAIGN LIKELY TO OPEN AT LEXINGTON

Louisville, Ky., July 26—Lexington is regarded as the logical city for the opening of the Republican State campaign and probably will be selected, according to Ludlow F. Petty, chairman of the State Campaign Committee, before whom two invitations were placed tonight, one from the Lexington Chamber of Commerce and the other from the Republican county executive committee at Lexington.

Chairman Petty said that as soon as the place and date had been determined, he would announce the results.

TIGHT OF WILSON FOR CHILD LABOR BILL VICTORIOUS

Washington, July 25—Yielding to an urgent request from President Wilson, Democrats of the Senate, in caucus tonight, determined to pass the child labor bill at this session of Congress.

The decision was reached after a long debate, during which several Southern Senators, whose opposition forced the measure out of the imperative legislative program drawn up several days ago, vigorously objected to its reinstatement. The final determination to include it was reached without a record vote. It will displace the shipping bill on the Senate calendar, coming up as soon as the army and District of Columbia appropriations have been passed. The shipping measure will follow it in order and the revenue bill will come next.

Belts for men will be in style again this summer. Skinnies will wear them and fannies will ditto if they can find one long enough to reach around.

It Always Helps

says Mrs. Sylvania Woods, of Clifton Mills, Ky., in writing of her experience with Cardui, the woman's tonic. She says further: "Before I began to use Cardui, my back and head would hurt so bad, I thought the pain would kill me. I was hardly able to do any of my housework. After taking three bottles of Cardui, I began to feel like a new woman. I soon gained 35 pounds, and now, I do all my housework, as well as run a big water mill."

I wish every suffering woman would give
